

Appl. No. 10/099,663

REMARKS

The present amendment is provided in order to correct obvious errors present in the application and is submitted after allowance. Applicant requests entry of this amendment under Rule 1.312.

Applicant has amended the specification to correctly number the Examples. In the specification as originally filed, there were two Examples numbered "Example 5". Typographical errors were also corrected at page 37.

If any issues remain unresolved or if the Examiner has any questions, applicant requests that the Examiner contact applicant's attorney at the below referenced telephone number.

Respectfully submitted,

Kyle Yesland, 706-227-1170, ext 233
